Login using OpenID

The DAS registration server uses **OpenID** for the user login. OpenID is a free and decentralized single sign-on system.

- You are logged in as **<http://dave.messina.myopenid.com/>**
- [view](#) your account settings
- You are registered for the DAS workshop in March 2009 [[update registration](#)]

[[Log out](#)]

You can learn more about OpenID at:

- <http://openid.net>
- <http://en.wikipedia.org/wiki/OpenID>
